DETAILED ACTION

This application is in condition for allowance except for the following formal matters:

The color drawings/Photographs have not been approved.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

The primary reason for allowance claims 1 and 7 is that the prior art of record does not teach a document and a method of producing a document having a substrate and a debris-removing coating associated with the second face of the substrate to remove printer debris during passage of the document through a printer for printing the first label on the first face of the substrate as argued by applicant (the Remarks, the paragraph bridging pages 8 and 9).

The primary reason for allowance claims 21 and 42 is that the prior art of record does not teach the step of passing the document with the first label releasably adhered to the first face of the substrate through the printer as argued by applicant (the Remarks, page 9, the third paragraph).

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A SHORTENED STATUTORY PERIOD FOR RESPONSE TO THIS ACTION IS SET TO EXPIRE 2 MONTHS FROM THE DATE OF THIS LETTER.
